

State Rd. 80 Claims Three More Victims

Manslaughter Charges Filed Bond Set At \$4,000

An accident seven miles east of Belle Glade on State Rd. 80 claimed three lives Sunday. Three persons were also injured in the accident that slowed traffic on the killer highway for more than an hour.

Two women, Lucy K. Quirk, 58, of Pittsfield, N.H., and Ethel I. Hill, 71, of Lakeland, were killed in the accident along with Kenneth W. Griffin, 50, of Fort Myers. James Roland Combs, 41, of Fort Lauderdale, has been charged with two counts of manslaughter, and bond was set at \$4,000.

The dead women were passengers in a car driven by Della R. Howard 67, of Pittsfield, N. H. Mrs. Howard is in "poor" condition at Glades General Hospital along with another passenger Mary W. Plante, of Pittsfield. Mr. Griffin was apparently a hitch hiker riding in the Combs car when the accident occurred.

Florida Highway Patrol Troopers H. E. Martindale and Herman Whaley investigated the accident and trooper Whaley reported that the Combs auto was westbound in the wrong lane of traffic. Mrs. Howard, who was believed to have been driving her own car, applied her brakes and skidded 60 feet before the cars collided head-on, the FHP reported.

After the impact, the Combs vehicle skidded off the highway and came to rest on a slight embankment headed in a southerly direction. The Howard sedan spun around in the highway and came to a stop in the westbound lane, also headed south.

Trooper Martindale said Mrs. Hill apparently was riding in the front seat with the driver. Both victims, she and Mrs. Quirk were trapped inside the wreckage with the two survivors. Assisting the troopers were sheriff's deputies and the Belle Glade police.

Another accident just a few minutes later killed two persons on State Rd. 715 inside the city limits of Belle Glade.

HAMMER BELIEVED WEAPON IN LOCAL ASSAULT CASE

Mrs. Eula B. Pennington, 71, of 607 SE Fourth St., is recovering from a serious head injury suffered Sunday when she was struck down in the carport at her home.

Belle Glade police under the direction of Chief Charles D. Goodlett combed the neighborhood searching for clues which could lead to the assailant of the wife of the former municipal street superintendent. Goodlett said a four-block area was searched Monday in an attempt to find a black purse that was taken from the victim.

The assault victim apparently was struck from the rear with a blunt instrument, she toppled forward, striking her face on some concrete blocks.

Mrs. Pennington and a daughter were inside the house watching television. They heard the car bringing Mrs. Pennington home from church services pull into the driveway and when Mrs. Pennington did not enter the house, went to investigate. When she reached the vehicle, which were apparently clutched in the hand of Mrs. Pennington, were found in the residence, where she is believed to have dropped them after being assisted inside. The area where the attack occurred is residential. The residence and the carport were well lighted, Goodlett explained.

An attending physician told the blow on the head could have been inflicted with a hammer.

Editorial OUR AMBITIOUS GOVERNOR

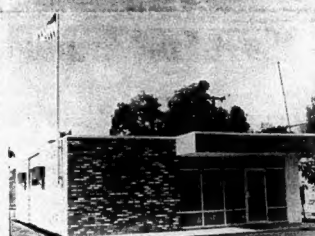

We have noted that our governor Claude R. Kirk, Jr., is increasingly absent from Tallahassee in 1968 as he was in 1967. Of course the explanations for these absences are that he is promoting the best interests of Florida.

We fail to see how touring the country giving speeches on the Johnson-Wallace Plot during a time when our State desperately needs leadership, is in anyone's best interest, except perhaps the Governor's.

We the people of Florida elected Claude R. Kirk, Jr., our governor thinking he was a man of action and would lead our state out of its many dilemmas such as these in education, roads, crime etc. Instead we find that he apparently is more intent on becoming Vice President.

We feel that the Governor wants to serve those people that selected him he should show more leadership, stop blaming the legislature and cabinet for his short comings, and spend more time solving the problems of Florida and less promoting of himself in national politics.

Congressman Rogers To Attend Dedication Of Post Office

NEW SOUTH BAY POST OFFICE

Dedication ceremonies for the new South Bay Post Office have been set for Sunday, Feb. 25. Congressman Paul G. Rogers has accepted an invitation to deliver the Dedication Address. The ceremony will start at 2 p. m. followed by an open house and refreshments. The public is invited.

"We are very happy about as he is the person who made the new office possible," said Postmaster Thomas A. Williams. "We needed new facilities in the worse way and when he learned of the situation he immediately went to work on it and today we can see the results of his efforts. His interest in these new facilities continued through the planning, construction, and completion of the building. He certainly did a good favor for the citizens of South Bay, and we are grateful to Congressman Rogers for his effort on this project."

"and from the department and the staff of the South Bay Post Office, we extend to the public, especially South Bay residents, an invitation to attend this ceremony dedicating this office, which after all, belongs to them."

THE FISHING REPORT

The rain and windy weather hindered fishing in the Belle Glade area over the past few days. However, there were many fishermen who braved the weather and most of them came in with some fish.

Bob Ohman, Belle Glade, caught 5 bass on Sunday. Mr. and Mrs. George Ives reported 25 specks on Sunday. The Ives' are from West Palm Beach.

Lee Cranford, Belle Glade, and daughters caught 5 specks on Saturday. We suspect the girls were the best fishermen in this party.

The latest reports say that the water is clearing up, and the warming trend on Monday holds promise for better fishing this weekend.

Some fishermen report that the bass are beginning to bed, and predict good bass fishing this weekend also.

NEW KING AND QUEEN REIGN AT ANNUAL VALENTINE BANQUET

Miss Cynthia Telebaud and Johnny Williams were chosen Queen and King of the Annual Sweetheart-Valentine Banquet given by the First Baptist Church for the Intermediate Youth of the Church on Feb. 9 at 7 a. m.

The banquet was held in the Fellowship Hall of the church, decorated in the theme "Sweethearts Around the World." The entrance to the hall was a rose-covered archway leading into a garden type setting with large world globes located around the room, which was highlighted by a wishing well in the center, with live and placed around it, and accented with artificial flowers.

The tables were beautifully decorated with sprays of fern and roses down the center and miniature flags of different countries. Valentine place cards and cups filled with candy hearts added to the theme.

The walls and ceiling were decorated with cupids and hearts in several sizes. A large red heart sprigged with white and trimmed with white ruffie and a spray of flowers, with a love seat in front was the setting for the crowning of the King and Queen of the Banquet.

The King and Queen were voted on and elected by the youth themselves on the basis of Christian Personality and Church Loyalty. Miss Telebaud, the queen was crowned by the pastor of the Church, Rev. Stephen L. Cloud and Johnny Williams, the king was crowned by Miss Jan Bottoms, Youth director.

Over 60 young people attended the banquet which was formal.

The guest speaker for the evening was Rev. Dan Griffin, Associate Pastor of the First Baptist Church in West Palm Beach. Rev. Griffin spoke on the various types of kisses mentioned in the Bible. It was said by many that this was the finest and most beautifully-decorated banquet the church has ever had.

On Saturday, February 10, the banquet hall was used by the adults of the church. Dr. George Balentine, Pastor of the Northwest Baptist Church in West Palm Beach, was the guest speaker. Over 30 adults attended the informal occasion.

Dr. Balentine spoke on the subject of "The Fact God has for many centuries made heart transplants in the lives of human beings.

Belle Glade Alliance Church News

A most profitable Missionary Convention was held at the Christian and Missionary Alliance Church, 425 E. Central Street, N. from February 6-11. At each service our hearts rejoiced to hear and see what God is doing in the fields of Mali and Upper Volta, Africa and in Indonesia.

One of the highlights of the convention is the Missionary Pledge that individuals pledge before God for the supporting of our Missionaries and their ministry abroad. The pledge for 1968 is just about double that made last year for which we praise the Lord, yet all pledges are not yet in.

Another highlight of the convention is to feel the thrill of watching young people surrender their lives to Jesus Christ, to serve Him at home or abroad, wherever He may lead. In the closing service four young people surrendered their lives to Jesus Christ. Many adults and parents made a covenant with God to pray and live a consistent Christian life, especially before young people.

—Rev. John W. Shaw, Pastor of the Belle Glade Christian & Missionary Alliance Church.

Baptist Youth

Week Mar. 17-24

First Baptist Church of Belle Glade announces plans for its annual youth week, March 17-24. Mr. Fleming, Minister of Music and Education at First Baptist Church stated that this youth week will be one of the best the church has ever had, due to the fact that they will be privileged to have the MUSICAL BETTS as their main feature of the week.

The "Musical Betts" are nationally known, and have traveled extensively throughout the United States, Canada, and Cuba. The Betts play the Marimba, the Vibraphone, the Hawaiian Guitar, 500 "high bells," 32 "low bells," the musical saw, and the piano and organ. The Betts will be featured in a special music concert March 17 at 3:30 p. m. In the church auditorium. They will also be singing and playing their instruments in the evening services, Monday through Saturday beginning at 7:30 p. m.

In addition to all of this, Mr. Fleming stated that a special children's hour will be held by the Betts each afternoon immediately following school in the church auditorium. All children are urged to come and be with Rev. & Mrs. Clarence Betts for an exciting hour.

Youth Week is the week set aside for all Baptist Churches to plan special activities and give special emphasis to the youth of the church. Mr. Fleming said that other plans are in the making and will be announced at a later date.

Mrs. Harvey Gough presided at the meeting, and offered the opening prayer at the Tuesday night meeting.

The Chairman called for reports from Mrs. Joe McIlwain, Secretary, and Mrs. John T. Pickett, Treasurer.

Oh that I know where I might find him! —Job 23:3

I HAD asked myself, "What is the real message of Job? It was only after the loss of my brother that I turned to the Book of Job with the hope of finding some comfort in my sorrow. After devoting two months to reading it, light shone on my soul. It was such a source of comfort to my heart that I cannot describe my feeling in words. Tears and sobs were replaced by hope and consolation.

For me the Book of Job is a study in how to meet life. Problems, calamities, and unexpected catastrophes are such that we are apt to collapse, however strong and wise we may be, if we try to meet them without God. We can experience the loss of property, family, health, friends; but in finding God and walking by faith in Him, life's burdens become easier. Knowing that the Redeemer lives is not enough, we need to accept Him as our Savior, for He then becomes for us the best anchor for the soul in the storms of life.

PRAYER: Our heavenly Father, we confess that life is more than we meet alone. Thank You for sending Your Son to live with us and always aware of Your presence by the Holy Spirit, that we may walk in the valley of the shadow of death unafraid. In the Savior's name. Amen.

THOUGHT FOR THE DAY

Life's burdens become lighter when we walk by faith in God.

Attends Training
Center at Tifton

Donald Dodd, Serviceman for Glades Equipment International Harvester dealer in Belle Glade has just completed an intensive one-week training course on tractor hydraulics and hitches, diesel fuel injection systems, power steering, hydraulic pumps, valves and cylinders at International Harvester's Service Training Center near Tifton, Georgia.

Classes are small enough for each serviceman to receive ample personal direction. Each serviceman "learns-by-doing." By actually trouble-shooting the equipment and working with it, they are prepared to quickly diagnose and correct service problems. This new and practical experience can be put to use as soon as each man returns home.

The service training center was originated to enable dealer service specialists to acquire training in the professional skills needed to meet today's demanding requirements of complex farm and industrial machinery.

Helpful Hints

The Shocking Stockings
Q. What should I wear with these wild, new, shocking stockings? Do I have to wear plain colors all the time?
A. Definitely not! In fact, the most secured stockings and over-the-knee socks are the most fun with plaids, checks, or tweeds. Don't be afraid to try unusual combinations of textures or colors. Use your imagination.
Plum Perfection
Q. What besides pink, can I wear with a plum-colored jumper?
A. Try a navy print blouse or a navy and white striped shirt. Add a navy and plum paisley ascot or tie for a new look. Or go wild with color in a striped neck of orange, gold, or celery green.
A New Look
Q. I have a navy boy coat that used to be my sister's. What can I do to make it look more up to date.
A. Be sure that the sleeve and hem lengths are right. Remove unnecessary padding. Give your coat a military look with shiny brass buttons. Add a bright turn-down collar, a pocket or paisley scarf, and your coat is perfect for school.

Valentine Ball In Gymnasium

Valentines, your night is here at last! Friday, February 16, our students' committee is sponsoring an annual Post Valentine Ball in the gymnasium. Come and dance the night away to the swinging beat of popular records and the school's jazz band. This is just one of the many projects sponsored in hopes of strengthening student-student leadership and increasing a finer quality of school spirit. It will also provide additional recreation for the students.
The proceeds received from the activity will go toward the water fountain drive.
Wait! That's not all, at the dance a King and Queen of Hearts will be elected, by a special drawing procedure. There will be three door prizes given at the dance.
We will see you there. Who knows, you might be King or Queen.

2. To present to the Council Suggestions and Plans for Valentine events including the annual "mail box for Valentine cards" and the "Sweet-car Ball."
3. To take under consideration any activities that might better the students and Council relationship.
The meeting was then closed by our President, Curtis Pierce.
